

We're pleased to let you know that we're now using DoodleMath with your child's class!

A little bit about DoodleMath

DoodleMath is a research-based, standards-aligned personalized math practice solution for grades K-5 that builds student skills, fluency, and confidence.

Self-paced, purposeful, and fun math practice is tailored to students' individual levels and rewards effort over accuracy – increasing independence, celebrating success, and nurturing a love of learning math.

How to get started

1. Watch this video with your child/ren: <https://doodlelearning.com/us/student-launch-video>
2. From a laptop or a desktop, log in to DoodleMath from the DoodleLearning website (doodlelearning.com/us).
3. Enter the username and password provided by your child's teacher to log in.

Support for parents and caregivers

- Link your email address by logging in to your child's account and tapping on the arrow icon in the top left-hand corner and selecting Settings > Parent details.
- From there, you'll then be able to view your child's progress.

If you have any questions about Doodle, please visit help.doodlelearning-us.com or click the green chat icon on the website or Parent Dashboard to find articles and how-to videos on everything you need to know, or chat with the helpful Parent Support Team.

Happy Doodling!
